

Poetry that *outlasts* the pour.

Press residents' words into the sidewalks you're already replacing. Use the existing replacement schedule, with a budget for stamps, coordination, and the crew's added work.

HOW A PROGRAM WORKS

01

Collect the poems

An open call brings residents' words in; your committee picks the winners. We help with sizing and layout.

02

We cut the stamps

Each poem becomes a reusable stamp with an exact 3D proof for approval before anything is cut. Production in at least 10 business days.

03

Crews press on schedule

Stamps ride along on your normal replacement cycle — a one-minute press per panel, field guide included.

EVERY WALK HOME IS A POEM

FIELD RECORD

20 years

Stamps we cut 20 years ago still press; the panels they pressed still read

TRANSPARENT PRICING

\$0.60/sq in

Most stamps land between \$100 and \$350 · prices exclude shipping

PROCUREMENT-READY

POs · approved terms

Net-30 for approved accounts; submittals, W-9, and tax-exempt support on request

See a poem in concrete *before* you commit.

Type any inscription in the free online designer — exact 3D proof and instant price, no account needed.
